

Call for Nominations

We would like to encourage you to nominate yourself or another person who you feel would make a significant contribution to our HDI Chapter. If you are nominating someone else, please understand that we will be confirming the nomination with them prior to letting their name stand on the ballot. Nominations will be open from May 25th until June 15th.

Elections are held each year for approximately half of the Executive positions. This allows the team to gain new members but also allow for guidance and mentoring by the remaining Executive members. Each position is elected for a two (2) year term.

Positions can be shared responsibilities as well so can be two individuals in the role. If you are interested in participating on the board but want to learn more, think about our Member At Large position.

The following positions are Open for Nominations:

- **Vice President Programs** – Responsible for scheduling and planning of monthly program events. Coordinate the booking of facilities and caterers and any equipment required by the speakers. This is a **critical role** for our organization and must be filled in order to continue to bring speakers and topics to our members
- **Vice President Finance** – Responsible for all financial records for the Chapter. Receives and distributes all funds per the Executive direction. Perform monthly banking reconciliation and report to the Executive.
- **Vice President Sponsorship** – Assist in growing sponsorship and advertising revenues for the local chapter. Identifying and maintaining key client relationships, increasing the awareness of HDI Regina within the local IT community
- **Executive Member at Large** – Assist with any of the duties for each of the above positions. Chair any program or special events committees which may include HDI award programs (Analyst / Desktop Support Technician of the year) and Customer Service Week. The Executive Member at Large is a great place to learn about the HDI Chapter and the positions on the Executive.

To nominate yourself or a candidate for one of these positions, please send an email to the HDI mailbox (hdiregina@hdiregina.com) with the following information: name, e-mail address and company name.
